Product: Health Savings Account (HSA)
Subject: Employer Summary Report – Glossary of Terms
Date: 09/18/13

OVERVIEW:

Optum Bank produces an employer report each month with year to date summary data.

DEFINITION OF TERMS:

Data Element	Definition
Statement Date	The date on which the report period ends.
Run Date	The date on which the report is processed.
Current Year Contribution – Employee Amount	The total dollar amount, up to the statement date, which employees have contributed to their HSA accounts associated with this Group ID. This would include contributions made directly by the employee, as well as contributions sent by the employer via payroll deductions.
Current Year Contribution – Employee Transactions	The total number of transactions related to the Current Year Contribution Employee Amount.
Current Year Contribution – Average Employee Contribution	The average of all employee contributions made, up to the statement date.
Current Year Contribution – Employer Amount	The total dollar amount, up to the statement date, which employers have contributed on behalf of their employees to their HSA accounts.
Current Year Contribution – Employer Transactions	The total number of transactions related to the Current Year Contribution Employer Amount.
Current Year Contribution – Average Employer Contribution	The average of all employer contributions, up to the statement date.
Current Year Distributions – Employee Amount	The total dollar amount, up to the statement date, of funds drawn on the HSA accounts associated with this Group ID. This would include checks written, debit card transactions, and online bill pays.
Current Year Distributions – Employee Transactions	The total number of transactions related to Current Year Distributions – Employee Amount.
Current Year Distributions – Average Employee Distribution	The average of all employee distributions, up to the statement date.
Current Year Interest	The total dollar amount of interest paid, up to the statement date, for all HSA accounts associated with this Group ID.
Current Year Service Charges	The total dollar amount of fees charged, up to the statement date, on all HSA accounts associated with this Group ID. Examples of service charges include: monthly maintenance fees, account closure fees, overdraft fees.
Service Charge Transactions	The total number of transactions related to the amount of Current Year Service Charges.
Current Year Other Credits – Rollover Amount	The total dollar amount of rollover deposits (from an HSA account at another bank to their HSA account at Exante) made up to the statement date. Examples of other credit transactions include rollover deposits as well as other corrections and reversals.
Current Year Other Credits – Rollover Transactions	The total number of transactions related to Current Year Distributions – Employee Amount.

Current Year Other Credits – Transfers In Amount	The total dollar amount of made up to the statement date. Examples of transfer in transactions include funds re-deposited which were withdrawn in error, as well as other corrections and reversals.
